CLAES ANDERSSON

PERSONAL DATA

ADDRESS:	Vänortsvägen 5, Luleå, Sweden
PHONE:	+46 73 763 87 77
EMAIL:	Claes.Gustaf.Andersson@gmail.com
LINKEDIN:	se.linkedin.com/in/ClaesGustaf

GOAL

The main goal in my career is to learn. I want to be challenged in a way that forces me to learn new things and think in new ways. I want to become the best in my field at what I do, and I want to be a part of creating flawless and perfect solutions!

EDUCATION

Jun 2018	**Computer Engineering Master's Degree**
Aug 2012	Information and Communication Technology. Luleå Tekniska Universitet. Focus on Algorithms, Design paradigms, high levels of abstraction, Networking, and Internet services and development.

WORK EXPERIENCE

Current	**Brand Ambassador**
Mar 2014	Academic Work
	Tasked with maintaining and promoting the brand "Academic Work" and slogan "Home of the Young Professional" on campus. A job requiring effortless socializing with both strangers and colleagues, independent effort but also to be able to work together in tight groups, and to always appear professionally.
Current	**Co-founder**
Sep 2013	DC Technological Innovations HB
	A company created in attempts to bring the crypto-currency Bitcoin to our university and make it the dominant payment method within campus. Now mostly idle.
Aug 2016	**Junior Developer**
Jul 2016	isMobile
	Worked as a consultant through Academic Work. Worked with developing a demo suite for their Android Application Module. Worked primarily in XSLT, HTML, JavaScript and Java
